PROFILE

I am a passionate web development fresher with a solid foundation in HTML, CSS, JavaScript, Bootstrap, jQuery, and React.js. I have experience in building interactive user interfaces using React components, hooks, and state management. Eager to apply my technical skills, enhance my React.js expertise, and grow in a real-world development environment while contributing through strong problem-solving and teamwork abilities.

INTERNSHIP

React.js Intern

CoreXtrime | [Jun, 2024] - [Jun, 2025]

- Developed and maintained responsive web applications using React.js, JavaScript, HTML, and CSS
- Collaborated with senior developers to implement UI components and improve user experience
- Participated in code reviews, debugging, and performance optimization
- Gained hands-on experience with version control systems like Git and modern development tools
- Contributed to real-time projects, improving code quality and application functionality
